

# Mitsing-Abend:

## Anna Sodermanns

### YOUR SONG

It's a little bit funny this feeling inside  
I'm not one of those who can easily hide I  
Don't have much money but boy if I did  
I'd buy a big house where we both could live  
If I was a sculptor but then again no  
Or a man who makes potions in a traveling show  
Oh I know it's not much but it's the best I can do  
My gift is my song  
And this one's for you

And you can tell everybody this is your song  
It may be quite simple but now that it's done  
I hope you don't mind  
I hope you don't mind  
That I put down in words  
How wonderful life is while you're in the world

I sat on the roof and kicked off the moss  
Well a few of the verses well they've got me quite  
cross  
But the sun's been quite kind  
While I wrote this song  
It's for people like you that  
Keep it turned on

So excuse me forgetting  
But these things I do  
You see I've forgotten  
If they're green or they're blue  
Anyway the thing is what I really mean  
Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song .....

### Angels

I sit and wait  
Does an angel contemplate my fate  
And do they know

The places where we go  
When we're grey and old  
,Cause I have been told  
That salvation lets their wings unfold  
So when I'm lying in my bed  
Thoughts running through my head  
And I feel the love is dead  
I'm loving angels instead

And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, she won't forsake me  
I'm loving angels instead

When I'm feeling weak  
And my pain walks down a one way street  
I look above  
And I know I'll always be blessed with love  
And as the feeling grows  
She breathes flesh to my bones  
And when love is dead  
I'm loving angels instead

And through it all she offers me protection.....

### Imagine

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us only sky  
Imagine all the people  
Living for today...

Imagine there's no countries

It isn't hard to do  
Nothing to kill or die for  
And no religion too  
Imagine all the people  
Living life in peace...

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world...

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

### **Use Somebody**

I've been roamin' around, always lookin' down at all  
I see  
Painted faces fill the places I can't reach  
You know that I could use somebody  
You know that I could use somebody

Someone like you and all you know and how you  
speak  
Countless lovers under cover of the street  
You know that I could use somebody  
You know that I could use somebody

Someone like you

Off in the night, while you live it up, I'm off to sleep  
Wagin' wars to shape the poet and the beat  
I hope it's gonna make you notice  
I hope it's gonna make you notice  
Someone like me  
Someone like me  
Someone like me  
Somebody

I'm ready now  
.....

Someone like you  
Somebody  
Someone like you  
Somebody

Someone like you  
Somebody

I've been roamin' around, always lookin' down at all  
I see

### **Tears in heaven**

Would you know my name if I saw you in heaven?  
Would it be the same if I saw you in heaven?  
I must be strong and carry on  
,Cause I know I don't belong  
Here in heaven

Would you hold my hand if I saw you in heaven?  
Would you help me stand if I saw you in heaven?  
I'll find my way through night and day  
,Cause I know I just can't stay  
Here in heaven

Time can bring you down, time can bend your knees  
Time can break your heart, have you begging please  
Begging please

Beyond the door, there's peace, I'm sure  
And I know there'll be no more  
Tears in heaven

Would you know my name if I saw you in heaven?  
Would you feel the same if I saw you in heaven?  
I must be strong and carry on  
Because I know I don't belong  
Here in heaven

### **Fields of gold**

You'll remember me when the west wind moves  
Upon the fields of barley  
You'll forget the sun in his jealous sky  
As we walk in fields of gold

So she took her love for to gaze awhile  
Upon the fields of barley  
In his arms she fell as her hair came down  
Among the fields of gold

Will you stay with me? Will you be my love?  
Among the fields of barley  
We'll forget the sun in his jealous sky  
As we lie in fields of gold

See the west wind move like a lover so  
Upon the fields of barley  
Feel her body rise when you kiss her mouth  
Among the fields of gold

I never made promises lightly  
And there have been some that I've broken  
But I swear in the days still left  
We'll walk in fields of gold  
We'll walk in fields of gold

Many years have passed since those summer days  
Among the fields of barley  
See the children run as the sun goes down  
Among the fields of gold

You'll remember me when the west wind moves  
Upon the fields of barley  
You can tell the sun in his jealous sky  
When we walked in fields of gold

### **Don't know why**

I waited ,til I saw the sun  
I don't know why I didn't come  
I left you by the house of fun  
I don't know why I didn't come  
I don't know why I didn't come

When I saw the break of day  
I wished that I could fly away  
Instead of kneeling in the sand  
Catching teardrops in my hand

My heart is drenched in wine  
But you'll be on my mind  
Forever

Out across the endless sea  
I would die in ecstasy  
But I'll be a bag of bones  
Driving down the road alone

My heart is drenched in wine  
But you'll be on my mind  
Forever

Something has to make you run  
I don't know why I didn't come  
I feel as empty as a drum  
I don't know why I didn't come

### **You've got a friend**

When you're down and troubled,  
And you need some love and care,  
And nothing, nothing is going right  
Close your eyes and think of me,  
And soon I will be there  
To brighten up even your darkest night.

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you grows dark and full of clouds  
And that old north wind begins to blow  
Keep your head together and call my name out loud  
Soon you'll hear me knocking at your door

You just call out my name  
*siehe weiter oben*

Now, ain't it good to know that you've got a friend  
When people can be so cold?  
They'll hurt you, yes, and desert you  
And take your soul if you let them,  
Oh, but don't you let them

You just call out my name  
*...siehe weiter oben*

You've got a friend  
Ain't it good to know, you've got a friend?  
Ain't it good to know?  
Ain't it good to know?  
Ain't it good to know, you've got a friend?

Oh yeah, now  
Oh, you've got a friend  
Yeah, baby  
You've got a friend  
Oh yeah...  
You've got a friend

### **Can you feel the love tonight**

There's a calm surrender to the rush of day  
When the heat of a rolling wind can be turned away  
An enchanted moment, and it sees me through  
It's enough for this restless warrior just to be with  
you

Can you feel the love tonight?  
It is where we are  
It's enough for this wide-eyed wanderer  
That we've got this far

And can you feel the love tonight?  
How it's laid to rest?  
Oh, it's enough to make kings and vagabonds  
Believe the very best

There's a time for everyone if they only learn  
That the twisting kaleidoscope moves us all in turn  
There's a rhyme and reason to the wild outdoors  
When the heart of this star-crossed voyager beats in  
time with yours

Can you feel the love tonight?  
It is where we are  
It's enough for this wide-eyed wanderer  
That we've got this far

Can you feel the love tonight?  
How it's laid to rest?  
Oh, it's enough to make kings and vagabonds  
Believe the very best

Oh, it's enough to make kings and vagabonds  
Believe the very best

**Let it be**  
When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom  
Let it be

And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom  
Let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom  
Let it be

And when the broken-hearted people  
Living in the world agree  
There will be an answer  
Let it be

For though they may be parted there is  
Still a chance that they will see  
There will be an answer  
Let it be

Let it be, let it be, let it be, let it be  
Yeah, there will be an answer  
Let it be

And when the night is cloudy  
There is still a light that shines on me  
Shine until tomorrow

Let it be

I wake up to the sound of music  
Mother Mary comes to me  
Speaking words of wisdom  
Let it be

Let it be, let it be, let it be, yeah, let it be  
There will be an answer  
Let it be

### **Killing me softly**

Strumming my pain with his fingers  
Singing my life with his words  
Killing me softly with his song  
Killing me softly with his song  
Telling my whole life with his words  
Killing me softly with his song

I heard he sang a good song  
I heard he had a style  
And so I came to see him  
To listen for a while  
And there he was this young boy  
A stranger to my eyes

Strumming my pain with his fingers  
Singing my life with his words  
Killing me softly with his song  
Killing me softly with his song  
Telling my whole life with his words  
Killing me softly with his song

I felt all flushed with fever  
Embarrassed by the crowd  
I felt he found m
